

# ICFOnians for Women in Science Month | PROGRAM

<p><b>February 10</b></p>	<p><b>Focus on the Future:</b> In honor of the International Day of Women and Girls in Science, ICFO<span style="font-size: 0.8em; vertical-align: middle;">n</span>ians will participate in different Outreach activities both in person and online that aim to give girls and young women positive female role-models in science</p> <ul style="list-style-type: none"> <li>- <a href="#">Photonics in 5 Minutes</a> * Special edition for Int'l Day of Women and Girls in Science (online)</li> <li>- <a href="#">100tifiques</a>: This year, the program mobilizes <b>519 women scientists</b>, from the public and private sectors, including <b>7 ICFO<span style="font-size: 0.8em; vertical-align: middle;">n</span>ians</b> who will give talks - face-to-face or online - at <b>475 schools and institutes</b> in 41 counties of Catalonia.</li> </ul>
<p><b>February 11</b></p>	<p><b>International Day of Women and Girls in Science</b></p>
<p><b>February 13</b></p> <p>11h - Nest Hall</p>	<p><b>Celebration and launch of Women in Science Month 2023:</b> ICFO<span style="font-size: 0.8em; vertical-align: middle;">n</span>ians are invited to meet in the NEST HALL to celebrate the launch of the activities that will be part of our month-long initiative.</p> <p>This celebration will be an opportunity to learn about the 2023 agenda, to have some refreshments, to network with members of the ICFO community, and to browse posters of the women who were nominated by our community in the 2022 edition of the “Women in Science We Admire” campaign.</p>
<p><b>February 13</b></p> <p>16:30h - 19:30h Online</p>	<p><b>Wikimarathon:</b> ICFO<span style="font-size: 0.8em; vertical-align: middle;">n</span>ians are invited to join a number of other research institutions in Catalonia in an online Wikimarathon organized by the Barcelona Biomedical Research Park (PRBB).</p>
<p><b>February 13 - March 8</b> (Continuous)</p>	<p><b>2nd Edition of <a href="#">Women in Science We Admire</a></b> Women are still under-represented in most areas of science, however through this campaign, ICFO aims to highlight women who are making an important mark on the scientific enterprise through their work and in so doing, are helping to expand the presence of women in science.</p> <p>All ICFO<span style="font-size: 0.8em; vertical-align: middle;">n</span>ians are encouraged to nominate a female scientist that has inspired you and/or who you believe has had a significant impact on science through her discoveries, enthusiasm, advocacy, and/or leadership.</p> <p><a href="http://www.womeninscienceweadmire.icfo.eu">www.womeninscienceweadmire.icfo.eu</a></p>
<p><b>February 21</b></p> <p><a href="#">Quantum Seminar</a> 15h - Seminar Room</p> <p><a href="#">Meet the Scientist</a> 16:30h - Cafe de la Llum</p>	<p><b>Meet the scientists:</b> <a href="#">EMILIA WITKOWSKA   ICFO</a> will offer a Quantum Seminar in the Light Seminar Series and after, will be present in the Cafeteria for an informal coffee to discuss her career and science with interested ICFO<span style="font-size: 0.8em; vertical-align: middle;">n</span>ians.</p>
<p><b>March 14</b></p> <p>Auditorium 15h</p>	<p><b>Panel Discussion: <a href="#">A Female Perspective on Starting a Research Group</a></b> <b>Chair:</b> María García-Parajo <b>Panelists:</b> Nicoletta Liguori, Georgia Papadakis, Leticia Tarruell</p>
<p><b>March 14</b></p> <p>All day</p>	<p><b>FOCUS ON THE FUTURE: <a href="#">Be an ICFO<span style="font-size: 0.8em; vertical-align: middle;">n</span>ian for a Day</a></b> This is the second event (of 4) of this program aimed at women undergraduate and master’s students in STEM. This program will help women to learn more about life in a frontier research institute.</p>
