

# 1<sup>st</sup> LightSheet Fluorescence Microscopy International Conference & 6<sup>th</sup> LSFM International workshop BARCELONA 25-26 SEPT. 2014

Supported by

## Confirmed Speakers

### Prof. Alberto Diaspro

Italian Institute of Technology. Genoa – Italy.

### Prof. Hans-Ulrich Dodt

Section for Bioelectronics. TU Vienna – Austria.

### Dr. Chris Dunsby

Faculty of Natural Sciences, Dept of Physics, Imperial college. London – England.

### Prof. Scott Fraser

Depts of Biomedical Engineering & of Biological Science - Univ. of Southern California. Los Angeles – USA.

### Dr. Jan Huiskens

MPI – Cell Biology and Genetics. Dresden – Germany.

### Prof. Ernst Stelzer

Institute of Cell Biology and Neuroscience (BMLS). Frankfurt – Germany.

## Sessions

→ Lightsheet Imaging & Applications I

→ Lightsheet Engineering

→ Ultramicroscopy & Optical Clearing

→ Super-resolution and Single Molecules

→ Lightsheet Imaging & Applications II

→ Sponsors Session

→ Image Analysis & Large Data Challenges

→ Lightsheet Technology: New Developments
